Mission

The mission of the Business programs is to provide experienced, skilled and supportive faculty who offer relevant curricula that will help prepare students to thrive in and face the challenges of an ever-changing world.

More specifically, the College of Business strives to:

- Prepare students for ethically and socially responsible roles in business, not-for-profit organizations, and society in general.
- Develop in students the ability to recognize, analyze, and solve problems.
- Prepare students to speak and present in front of various audiences in an articulate and compelling manner.
- Help students achieve their personal and career goals.
- Prepare students for entry-level positions in either the private or public sector and/or to prepare students for coursework at the graduate level.

Program Description

A student pursuing a major other than Business Administration may, with the permission of the Academic Director, minor in Business Administration.
