## Accreditation

All programs at the University of New England are accredited by the New England Commission of Higher Education (NECHE).

## Transfer Credit

Upon acceptance, students may apply to transfer up to three courses (maximum of nine credits) into the Master of Science in Education program.

To request consideration for transfer credit, a student must provide an official transcript. Transfer credit is awarded at the discretion of The College of Professional Studies based on specific program details listed below. Requests for approval of transfer credit should be submitted to and will be granted at the discretion of the program director.

Transfer credit must be:

- Classified as graduate level.
- Taken at an institutionally accredited institution.
- Worth three credits.
- Taken within five years of application.
- Completed with a grade of B or better.
- Equivalent to one of the required program courses or an elective course that meets the goals of the student's education.

Transfer credit cannot be accepted into any program leading to State of Maine certification.

## Admissions

See Online Admissions (<https://catalog.une.edu/graduate/admissions/#onlineprogramstext>) for more information.

## Financial Information

### Tuition and Fees

Tuition and fees for subsequent years may vary. Other expenses include books and housing. Please consult this catalog's Financial Information (<https://catalog.une.edu/graduate/financial-information-graduate-programs/>) page for specific tuition and fees information.

### Financial Aid

Detailed information and applications are available on request from the Financial Aid Office. Call (207) 602-2342 or visit the Financial Aid website (<https://www.une.edu/sfs/>).

## Curricular Requirements

### The Master of Science in Education

UNE allows students to customize their program by choosing electives from different topic areas in education such as curriculum, literacy,

educational leadership, and inclusion for teachers looking to advance their careers in education.

Contact your state's Department of Education for specific certification requirements.

## Academic Policy

### Dismissal from the Program

Termination from the Program may occur when the Education Program Director becomes aware of one of the following:

- Surrender of a teacher license in any jurisdiction for disciplinary reasons.
- Documented academic dishonesty (Note this also includes course online postings and email communications with faculty and

staff. Students are advised that their behavior while participating in the Program should exemplify the ethical behavior of a professional educator with respect to all communications.)

### **Minimum Grade Point Average**

Matriculated graduate students must maintain a cumulative GPA of 3.0 or better. Failure to do so will result in academic probation and possible termination from the program. Any student receiving a grade below B- on any individual course has failed that course must re-enroll and repeat the course to achieve a grade of B- or better. Any student who receives a grade of F in two or more courses may be dismissed from the program. An F that is replaced through retaking the course does not count toward this policy.

### **Graduation Requirements**

To complete the program and receive a Master of Science in Education, a student must:

- Complete all program requirements.
- Maintain a minimum GPA of 3.0.
- Pay all tuition and fees.

### **Learning Outcomes**

Students will learn to:

- Apply education theory, frameworks, and scholarship to enhance professional teaching practices.
- Use reflective practices to advance personal and professional growth in the role of an educator.
- Foster equitable and inclusive pedagogical frameworks in addressing the multifaceted educational needs of all students.
- Demonstrate professionalism consistent with the expectations of an online graduate student.
