## Mission

Our mission is to provide rigorous liberal arts offerings organized in a way that demonstrates the pedagogical usefulness and theoretical power of bringing various relevant disciplines to bear upon our study of the world. Our goal is to allow students to engage with and comprehend broad global concerns and to foster specific regional expertise including proficiency in relevant languages. We aim to prepare students to change the world by understanding it more deeply and prepare them for the job market by acquiring knowledge and skills demanded of 21st-century graduates.

## Program Description
