Minor Description

The Health, Law, and Policy minor is designed to introduce students to the United States healthcare system, with a special emphasis on the public health sector. As a minor, students are provided the opportunity to gain a greater understanding of the law that governs our healthcare system and the politics that shape those laws. Students completing the minor will be well-positioned for expanded roles of leadership within a health provider organization or political entity charged with creating health care policy.

Transfer Credit

See Undergraduate Admissions (https://catalog.une.edu/undergraduate/admissions/) for more information.

Admissions

See Undergraduate Admissions (https://catalog.une.edu/undergraduate/admissions/) for more information.

Financial Information

Tuition and fees for subsequent years may vary. Other expenses include books and housing. For more tuition and fee information, please consult this catalog's Financial Information (https://catalog.une.edu/undergraduate/financial-information-undergraduate-programs/) section.

Curricular Requirements

Students wishing to pursue a Health, Law, and Policy minor must have an advisor in the program and approval from the School of Criminology, Society & Politics. Each student will work with a faculty advisor to design a minor consisting of six courses that supports the student's interests, according to the following guidelines and availability.

Code	Title	Hours
Program Required Courses		
PSC 325	Politics of Public Health	3
One Law Elective		3
One Political Science Elective		3
One Law Electives or Political Science Elective		3
Two Health, Law and Policy Electives		6
Total Hours		**18**

Program-Specific Elective Options

Code	Title	Hours
Law Electives		
PSC 125	Understanding Law:An Introd	3
PSC 210	Constitutional Law	3
Political Science Electives		
PSC 101	Intro to American Politics	3
PSC 105	Intro Political Science	3
PSC 200	Intro to Political Theory	3
Health, Law and Policy Electives		
ANT 211	Medical Anthropology	3
BUEC 385	Health Economics	3
ENG 310	Writing & Women's Health	3
Internship		

Please note: While some courses can fulfill both core and program requirements, the credits earned do not count twice towards the minimum total required credits for the degree.

Learning Outcomes

This minor provides students additional choices and options that are career-oriented in a field that is expected to see significant growth over the next twenty years.
