Mission

Our mission is to cultivate in our students a passion for understanding and solving political problems. Students work closely with faculty throughout their coursework, culminating in a major independent research project. Through this work, students will develop the imagination and skills in analysis and communication that prepare them for life after college.

Program Description

A student with a major in another program may minor in Political Science with the approval of the Director of the School of Criminology, Society & Politics.

The School of Criminology, Society & Politics offers another minor in Health, Law, and Policy. (https://catalog.une.edu/programs/health-law-policy-minor/)
