

PUBLIC HEALTH MINOR

Contact

Bethany Fortier
Associate Clinical Professor, Department of Health Promotion Studies
bfortier@une.edu

Mission

The mission of UNE's Public Health program is to prepare graduates to address the complex public health problems that global populations face through the generation of new knowledge, use of scientific evidence and collaborations with diverse stakeholders.

Program Description

The public health minor provides an opportunity for students interested in national and global health, as well as future graduate study in public health and/or other allied health professions to expand their knowledge in the area of public health.

Transfer Credit

See Undergraduate Admissions (<https://catalog.une.edu/undergraduate/admissions/>) for more information.

Admissions

See Undergraduate Admissions (<https://catalog.une.edu/undergraduate/admissions/>) for more information.

Financial Information

Tuition and fees for subsequent years may vary. Other expenses include books and housing. For more tuition and fee information, please consult this catalog's Financial Information (<https://catalog.une.edu/undergraduate/financial-information-undergraduate-programs/>) section.
